### **Papillion Institute of Art Announces its 3<sup>rd</sup> art exhibit: THINGS DONE CHANGED: The Photography of Paul Chan**

LOS ANGELES, CA – July 15, 2010 -- The Papillion Institute of Art (P.I.A.) announces its 3<sup>rd</sup> art exhibition **Things Done Changed: The Photography of Paul Chan** opening **July 15, 2010 from 7pm to 11pm**. The art opening to be held at the gallery (**1835 South Main Street, Los Angeles, CA 90015**) will feature the work of Southern California photographer **Paul Chan**. All are welcome to attend and may RSVP by emailing [rsvp@papillionart.org](mailto:rsvp@papillionart.org)

**Things Done Changed** features the photos Paul Chan took while he was an editor at the now defunct but popular west coast hip-hop magazine titled Kronik. While at Kronik Paul was able to interview and photograph some of hip hop's pioneers, legendary's and a lot of unknown's that later catapulted into music pop icons.

**Paul Chan** is a native SGV (San Gabriel Valley) resident. He now spends his time documenting the Skate world and has a web series on the SkateBoardMag.com called Lurkervision. Paul has put down his still camera for a video one and is a popular fixture on the skateboard scene in LA and around the globe. He is one of the most creative individuals we know and the photos on display in **Things Done Changed** are apart of an upcoming book Paul is putting together of the same title. His photos are beautiful in the sense that they were captured in a time where their was no digital only film. The photos are classic because of the intimate details he shot of each artist whether he had 5 minutes or 5 days to document them. Opening night reception and **ARTE PARTY is July 15, 2010 7pm to 11pm** and will be up until **August 22, 2010**. There will be gift bags provided by our sponsors **DGK, The Hundreds, Diamond, Mighty Healthy, LRG**
